Holistic care for seniors, a balanced life for you

Join our value-based care team as a Physician

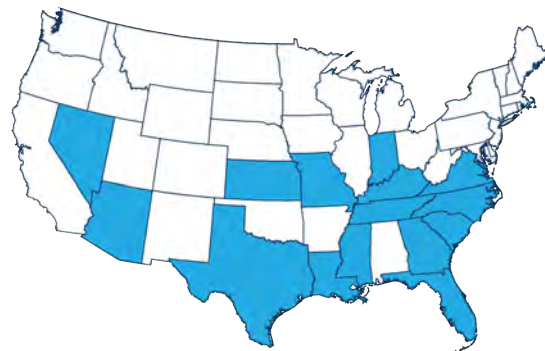

We're changing the future of healthcare and improving the health and quality of life of seniors. With two robust networks of primary care centers — CenterWell Senior Primary Care™ and Conviva Care Center® — we're helping seniors nationwide live healthier, happier lives.

Create better health outcomes

Our value-based care model allows our providers more quality time with patients to build deeper relationships. Extended appointments give you the time to get to the root cause of patient concerns, in turn helping you provide the best individualized care.

Why choose CenterWell & Conviva?

- **Be part of a team.** You'll have the support of an interdisciplinary care team, which can include advanced practice providers, behavioral health specialists, social workers, and pharmacists.
- **Define your career.** We strive to provide an environment for team members to grow professionally. Whether you're seeking leadership opportunities or nearing retirement, we have a spot for you.
- **Enjoy guilt-free time off.** You can rest assured that your patients will be taken care while you're out.
- **Be present at home.** Our center hours and minimal call allow our physicians to enjoy evenings and weekends doing what they love.

We have 300 centers across 15 states:

Arizona
Florida
Georgia

Dupage Internal Medicine of IL Hinsdale, IL

Well established, busy primary care practice in a desirable neighborhood of western suburbs of Chicago is looking to add an Internal Medicine physician to service a growing patient population. This is a unique opportunity to be in a private practice setting and have the autonomy to practice internal medicine without the constraints of a corporate practice.

Traditional practice with a blend of outpatient and inpatient opportunities and excellent support from senior physicians in the practice. This is a two-physician private practice, established over 25 years ago with a stable physician and office staff as well as patient cohort. Practice also has well trained physician extenders allowing MDs to focus on critical medical issues.

Fully integrated with hospital ancillary services using the eClinicalWorks EMR.

Competitive salary and favorable call schedule with a unique and flexible work schedule. This is a physician owned practice and we recognize the unique needs of each provider at various stages of their career. Each physician in the practice has a schedule tailored to their specific needs. This accommodation is not possible in a hospital owned practice or a solo practice environment. Compensation package is highly competitive.

Private practice allows for the ability to earn incentive bonuses based on revenue generated. Freedom to practice medicine at your own pace, the incoming physician will have the ability to work at office, hospital, NH & retirement centers.

Favorable benefit package.

Job Types: Full-time, Part-time

Benefits:

- Malpractice insurance
- 401(k)
- Health insurance
- Paid time off
- Defined benefit plan
