

Internal Medicine Meeting 2025 ACP Planning Committees and Councils Disclosures

It is the policy of the American College of Physicians (ACP) to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. To this end, and consistent the Standards for Integrity and Independence in Accredited Continuing Education and ACP policy, all those in a position to control the content for ACP continuing medical education activities are required to disclose all financial relationships with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Following is disclosure information the ACP Committees and Councils who planned Internal Medicine Meeting 2025. The individuals listed below have relevant financial relationships with ineligible companies. No other planners for this activity have any relevant financial relationships with ineligible companies. All relevant financial relationships have been mitigated.
