

**Internal Medicine Meeting 2021: Virtual Experience
Faculty and Planning Committee/Council Member Disclosures**

It is the policy of the American College of Physicians (ACP) to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. To this end, and consistent with the policies of the ACP and the Accreditation Council of Continuing Medical Education (ACCME), all those in a position to control the content for all ACP continuing medical education activities are required to disclose any financial relationships that they have with any entity that produces, markets, resells, or distributes health care goods or services consumed by, or used on, patients.
