Providing Primary Care for Adults Age 60+.

ArchWell Health is an innovative, rapidly-growing medical group that is changing the way primary care is delivered to seniors. Our state-of-the-art centers are located in communities where there is exceptionally limited quality healthcare today. The ArchWell Health model of care is entirely driven by providing better primary care to our patients, not by the volume of services we provide. Because we are fully accountable for the health of our patients, we spend more time with them and offer more comprehensive care. Put simply, we provide the care that our patients deserve.

We are currently looking for qualified candidates to fill the positions below

✦ **Birmingham, AL**

Primary Care Physician
Primary Care Nurse Practitioner

✦ **Phoenix, AZ**

Primary Care Physician
Primary Care Nurse Practitioner
Associate Market Medical Director

Comprehensive Care Advanced Care Practitioner

Hospital Medicine & Critical Care Opportunities

Practice With Passion.

Reignite your passion and rethink how you can experience practicing medicine. Our model is unique—no private equity or big boardrooms where investors care about profits instead of people. Here, everyone plays a part. We are a partnership of physicians, residents, advanced providers, and administrative teams working to improve the lives of our patients, providers and communities. Together, we work for something bigger, better, and more rewarding.

- Flexibility to practice the way you want
- Autonomy to make the best decisions for your patients
- Resources like payor contracting, billing, CME, admin support and more

Industry-Leading Compensation and Benefits

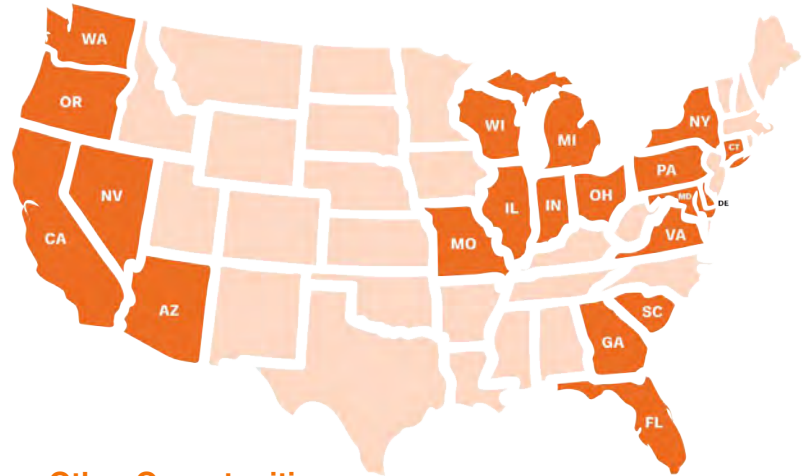

We are looking for collaborative, career-minded hospitalists who want a voice in how they practice medicine.

Vituity currently has opportunities for hospitalists and intensivists at hospitals and skilled nursing practices across the country, some with **sign-on bonuses up to \$150,000!**

WHO WE ARE AMAZING INDIVIDUALS WORKING FOR POSITIVE PEOPLE at AIDS Healthcare Foundation!

Does the idea of doing something that really makes a difference in people’s lives while being well-compensated intrigue you? Are you looking to work for an organization that encourages growth and success from each and every one of its employees?

If so, AIDS Healthcare Foundation is the place for you!

Founded in 1987, AIDS Healthcare Foundation is the largest specialized provider of HIV/AIDS medical care in the nation. Our mission is to provide cutting edge medicine and advocacy, regardless of ability to pay. Through our healthcare centers, pharmacies, health plan, research and other activities, AHF provides access to the latest HIV treatments for all who need them.

AHF’s core values are:

- Patient-Centered • Value Employees • Respect for Diversity • Nimble • Fight for What’s Right

YOUR CONTRIBUTION TO OUR SUCCESS!

AIDS Healthcare Foundation is public health, mission-based organization with a network of services that include healthcare centers, pharmacies and wellness clinics. We are now looking for a family practice or internal medicine physician at an AHF HIV primary care outpatient facility. You’ll join a full staff committed to serving the city’s underserved patient population, including the LGBTQ community and individuals living with HIV/AIDS.

Opportunity Highlights

- Base salary + retention bonus up to \$100,000, quarterly bonus up to \$2,500, sign on and bi-weekly productivity bonuses.
- Full benefits including medical/dental/vision, a 401K or 457B retirement plan, and malpractice/tail coverage
- Relocation reimbursement up to \$10,000
- 100% outpatient practice—no nights or weekends
- Organization is the leader in the community for HIV and LGBTQ health research
- Full support team of Practice Manager, MA, and RNs
- Public Service Loan Forgiveness
- CME stipend

Qualifications

- Must possess a Medical Board license MD/DO/RNP (State specific) in Internal/Family Medicine/Adult Gerontology/Infectious Disease
- Valid DEA & Furnishing license
- Comfortable with seeing up to 15-18 patients per day
- Prior experience or interest in treating and diagnosing HIV/AIDS clients in an outpatient Primary Care setting
- Must obtain AAHIVM Certification within 18 months of hire
- Current CPR/BLS (Cardio Pulmonary Resuscitation) is required

AHF Commitment

We at AIDS Healthcare Foundation believe that each individual is entitled to equal employment opportunities without regard to race, color, creed, gender, sexual orientation, gender identity, marital status, national origin, age, veteran status or disability. The right of equal employment opportunity extends to recruiting, hiring selection, transfer, promotion, training and all other conditions of employment. AHF will consider qualified applicants with criminal histories in a manner consistent with the requirements of the ordinance.

What kind of doctor works in corrections?

Doctors just like you.

By now, doctors know that California Correctional Health Care Services (CCHCS) offers more than just great pay and State of California benefits. As integral members of multidisciplinary teams, our physicians enjoy relatively small patient panels, fewer appointments per day, and more clinical time to spend with patients. Additionally, CCHCS primary care providers benefit from access to a system-wide EMR, state-of-the-art electronic decision support tools, and a large network of specialists — without the billing and insurance hassles. Interested in learning more? Speak with a recruiter today.

Doctors at select institutions receive additional 15% pay.

Apply online at
www.cchcs.ca.gov/careers

Additional Benefits of Practicing with CCHCS

- A broad selection of health care plans that includes comprehensive medical, dental, and vision coverage.
- Work-life balance with 40-hour workweeks.
- Robust 401(k) and 457(b) retirement plans with the ability to tax defer up to \$49,000–\$65,000 per year.
- State of CA retirement that vests in five years (more at CalPERS.ca.gov).
- Paid insurance, license, and DEA renewal.
- Potential PSLF and NHSC loan repayment, depending on your location.
- Relocation assistance for those new to state service.
- Dedicated assistance with visa sponsorship.

Referral Bonus

All CDCR/CCHCS employees that refer a mental health clinician who is successfully hired by CCHCS may be eligible to receive a referral bonus of \$5,000 per appointed referral.

PRIMARY CARE OPPORTUNITIES

With Cedars-Sinai in Los Angeles, CA

Cedars-Sinai Medical Group is a Physician led, Physician owned Healthcare organization. Since its inception in 1985, Cedars-Sinai Medical Group has focused on providing primary care, disease prevention, and specialty care for the entire family.

Our Patients benefit from convenient access to more than 100 primary and 700 specialty care physicians and seamless coordination of care between them.

Diversity is one of Los Angeles's greatest strengths, and Cedars-Sinai must continually demonstrate our commitment to celebrating both our differences and our similarities to create an inclusive culture for all.

Cedars-Sinai Medical Group offers competitive salary and robust benefits package for you and your family.

INTERNAL MEDICINE | MARIN & SONOMA COUNTIES, CALIFORNIA

Where World-class Care Meets Unmatched Lifestyle.

Internal Medicine

San Rafael | Mill Valley | Larkspur | Sausalito | Sonoma

MarinHealth is a leading healthcare provider serving Marin, Sonoma, and Napa counties, with a growing network of more than 350 physicians and advanced practice providers. We are seeking Internal Medicine physicians to join our growing, collaborative network across **Marin and Sonoma Counties**. These opportunities span several unique communities, each offering its own distinct character, patient population, and lifestyle advantages—while all benefiting from MarinHealth’s integrated, physician-led care model.

[Practice Medicine Where You Want to Live](#)

Whether you’re drawn to the energy of San Rafael, the natural beauty of Mill Valley, the connectivity of Larkspur, the waterfront lifestyle of Sausalito, or the charm of Sonoma, MarinHealth offers the flexibility to build a career—and a life—that fits you.

[San Rafael](#)

San Rafael offers a vibrant, diverse community with a dynamic downtown, renowned farmers markets, and a rich cultural scene. As Marin’s largest city, it provides a broad and varied patient population and a strong sense of community—ideal for physicians seeking both impact and variety in practice.

[Mill Valley](#)

Nestled at the base of Mount Tamalpais, Mill Valley is known for its tree-lined neighborhoods, artistic spirit, and proximity to world-class hiking and outdoor recreation. Patients here are highly engaged in their health, and the environment fosters a strong sense of connection and wellness.

[Larkspur](#)

Larkspur combines small-town charm with exceptional accessibility. With the Golden Gate Ferry, SMART train, and Marin Country Mart nearby, it’s a hub of connectivity. The community values convenience, quality care, and a balanced lifestyle.

[Sausalito](#)

Sausalito offers a truly unique coastal setting with stunning bay views, a vibrant arts scene, and an active, wellness-oriented population. It’s an inspiring place to live and work, just minutes from San Francisco.

[Sonoma](#)

Sonoma provides a relaxed, picturesque environment with a strong sense of community. Known for its vineyards, culinary excellence, and slower pace of life, it offers a rewarding setting for physicians seeking both professional fulfillment and lifestyle balance.

The Opportunity

- Full-time **Internal Medicine** practice opportunities available across MarinHealth clinics
- Established patient panels with strong community demand
- Team-based care model with **APP support and care coordination**
- Access to MarinHealth's robust specialty network for seamless referrals
- Flexible scheduling designed to support physician well-being and commute balance

Why MarinHealth

- Independent health system with a strong reputation for quality
- Collaborative culture across primary care and specialties
- Affiliation with UCSF Health
- Commitment to innovation, access, and physician satisfaction
- Opportunities to shape care delivery in a growing regional network

BOOTH 2018 – Outpatient Primary Care Monterey, CA | 16-18 patients per day

Montage Medical Group (MMG), a thriving multi-specialty group of 120 physicians and APPs across 22 specialties just two hours south of San Francisco in Monterey, CA, is seeking BE/BC Family Medicine or Internal Medicine physicians to join their staff as an outpatient clinician. MMG is a subsidiary of Montage Health, which also owns Community Hospital of the Monterey Peninsula, Aspire Health Plan, MoGo Urgent Care, Montage Health Foundation, and Montage Orthopedics and Sports Medicine.

Montage Health's Community Hospital has been named among America's 250 Best Hospitals™ in 2026 by Healthgrades, placing it in the top five percent of hospitals nationwide for consistently delivering clinical quality. This recognition marks the third consecutive year Community Hospital has earned this distinction, having also received the America's 250 Best Hospitals Award™ in 2025 and 2024.

Join a large team of 34 other primary care physicians and 5 APPs who practice in modern, state-of-the-art clinical space with a patient centered medical home model. The practice has need to add additional physicians to help meet patient demand due to the growing community.

The position:

- The position consists of 4.5 days seeing patients with a protected 0.5 days of administrative time
- \$368,000-\$392,000 Base Salary Range with upside via wRVU production incentives
- 16- 18 patients per day | 40 minutes for each new visit and 20 minutes for each follow-up
- Housing Assistance Available – the hospital has a unique housing assistance program to help offset the high cost of housing in the area
- Loan Repayment Available (for those that qualify)
- Productivity Bonus Included – Unlimited Earning Potential via wRVU productivity
- Benefits Covered at 100%: Health, Life, Vacation, and 401k (4% Match) and 457(b)

The community:

- The practice is located two hours south of San Francisco right on the Pacific Ocean
- Monterey's rich history boasts 20 world-class golf courses, one of the world's most spectacular aquariums, unique variety of shops and galleries and a spectacular assortment of parks and natural areas combined to provide a truly unrivaled place to live and raise a family
- Unbeatable climate – enjoy an incredible climate where average high temperatures range from 58 degrees to 69 degrees year-round
- Enjoy a slower pace of life by avoiding the California traffic

a facility of the Fort Defiance Indian Hospital Board, Inc.

Ophelia Anthony, Medical Recruiter
Ophelia.Anthony@fdihb.org
928.729.8117

Join Us as a Primary Care Provider on the Navajo Nation!

Fort Defiance Indian Hospital Board, Inc. (FDIHB) is actively recruiting full-time primary care physicians (MD/DO) committed to providing exceptional care to underserved communities. Located in Fort Defiance, Arizona, our rural, tribal setting offers a profoundly rewarding experience. This position is a unique chance to make a significant impact on health outcomes within the Navajo Nation. We welcome **Family Medicine** or **Internal Medicine** trained Physicians. Your primary focus will be **Adult Outpatient Medicine**, with diverse opportunities to also work in Pediatrics, Mobile Health Program, Inpatient/ICU Hospitalist Services and our Ambulatory Clinic in Sanders, AZ

Clinical Practice:

- **Expanded Procedural Scope:** Opportunities for joint injections, paracentesis, thoracentesis, and lumbar punctures.
- **Physician-Led Care Team:** Practice within a progressive Outpatient Medical Home Model, supported by dedicated RN case managers.
- **Streamlined Referrals:** Benefit from a comprehensive referral system that eliminates the need for time-consuming prior authorizations.
- **Predictable Schedule:** Enjoy a 4-day, 10-hour workweek with no **on-call requirement**.

Licensure, Malpractice & Professional Development:

- **Multi-State Licensure:** FDIHB operates under a multi-state licensure system, allowing Providers to hold a license in any U.S. State or Territory that permits them to practice at FDIHB, Inc.
- **Federal Malpractice Coverage:** Malpractice coverage is provided for permanent employment under the Federal Tort Claims Act (FTCA).
- **Employer-Paid Essentials:** Hospital covers State Licensure, DEA, BLS, ACLS, PALS, and NRP certifications.
- **Generous Continuing Education:** Receive a **\$3,500 annual Continuing Education (CE) allowance** and robust professional development opportunities.

Loan Repayment & Financial Incentives:

- **National Health Service Corps (NHSC) LRP:** Eligible for up to **\$75,000** towards qualifying educational loans.
- **Indian Health Services (IHS) LRP:** Eligible for up to **\$50,000** towards qualifying educational loans.
- **PSLF Integration:** NHSC or IHS LRP can be strategically integrated into your Public Service Loan Forgiveness (PSLF) plan, potentially contributing to the 120 qualifying payments required for PSLF.
- **Comprehensive Compensation:** Enjoy a competitive salary, sign-on incentive, relocation incentive, and the annual \$3,500 CE stipend.
- **Sign-On Incentives**
 - **\$20,000** for a two-year (or less) full-time commitment, paid at \$10K per year.
 - **\$75,000** for a three-year (or longer) full-time commitment, paid at \$25K per year.

Benefits & Work-Life Balance:

- **Robust Benefits Package:** Medical, Dental, Vision, and 401K matching contributions (up to 6%).
- **FDIHB Housing:** 1-4 Bedroom homes offered to permanent Medical Staff.
- **Work-Life Balance & Recreation:** Access to diverse recreational opportunities such as fishing, skiing, mountain biking, running, and hiking.
- **Wellness:** State-of-the-Art Wellness Center features various classes (Yoga, Spin Cycle, Zumba) and a 3+ mile-maintained trail system connecting to NTUA's employee trail system.
- **Local Education:** Access to local Public and Private Schools for PreK-12th grade.
- **Convenient Travel:** The nearest airport is 45 minutes away with scheduled daily flights from Sky Harbor, Phoenix, AZ to Gallup, NM.

WHO WE ARE AMAZING INDIVIDUALS WORKING FOR POSITIVE PEOPLE at AIDS Healthcare Foundation!

Does the idea of doing something that really makes a difference in people’s lives while being well-compensated intrigue you? Are you looking to work for an organization that encourages growth and success from each and every one of its employees?

If so, AIDS Healthcare Foundation is the place for you!

Founded in 1987, AIDS Healthcare Foundation is the largest specialized provider of HIV/AIDS medical care in the nation. Our mission is to provide cutting edge medicine and advocacy, regardless of ability to pay. Through our healthcare centers, pharmacies, health plan, research and other activities, AHF provides access to the latest HIV treatments for all who need them.

AHF’s core values are:

- Patient-Centered • Value Employees • Respect for Diversity • Nimble • Fight for What’s Right

YOUR CONTRIBUTION TO OUR SUCCESS!

AIDS Healthcare Foundation is public health, mission-based organization with a network of services that include healthcare centers, pharmacies and wellness clinics. We are now looking for a family practice or internal medicine physician at an AHF HIV primary care outpatient facility. You’ll join a full staff committed to serving the city’s underserved patient population, including the LGBTQ community and individuals living with HIV/AIDS.

Opportunity Highlights

- Base salary + retention bonus up to \$100,000, quarterly bonus up to \$2,500, sign on and bi-weekly productivity bonuses.
- Full benefits including medical/dental/vision, a 401K or 457B retirement plan, and malpractice/tail coverage
- Relocation reimbursement up to \$10,000
- 100% outpatient practice—no nights or weekends
- Organization is the leader in the community for HIV and LGBTQ health research
- Full support team of Practice Manager, MA, and RNs
- Public Service Loan Forgiveness
- CME stipend

Qualifications

- Must possess a Medical Board license MD/DO/RNP (State specific) in Internal/Family Medicine/Adult Gerontology/Infectious Disease
- Valid DEA & Furnishing license
- Comfortable with seeing up to 15-18 patients per day
- Prior experience or interest in treating and diagnosing HIV/AIDS clients in an outpatient Primary Care setting
- Must obtain AAHIVM Certification within 18 months of hire
- Current CPR/BLS (Cardio Pulmonary Resuscitation) is required

AHF Commitment

We at AIDS Healthcare Foundation believe that each individual is entitled to equal employment opportunities without regard to race, color, creed, gender, sexual orientation, gender identity, marital status, national origin, age, veteran status or disability. The right of equal employment opportunity extends to recruiting, hiring selection, transfer, promotion, training and all other conditions of employment. AHF will consider qualified applicants with criminal histories in a manner consistent with the requirements of the ordinance.

Pennington Biomedical Research Center is a public-private partnership that over the past three decades has become a global leader in nutrition research and metabolic health. Located in Baton Rouge, Louisiana, the Center's mission is to discover the triggers of chronic diseases through innovative research that improves human health across the lifespan.

Job Summary:

The position will be split 70% for clinical work and 30% for independent research. The position will oversee clinical trials, perform safety medical reviews, participate in the development of clinical trials, and oversee the medical aspects of clinical research projects initiated by scientists at Pennington Biomedical.

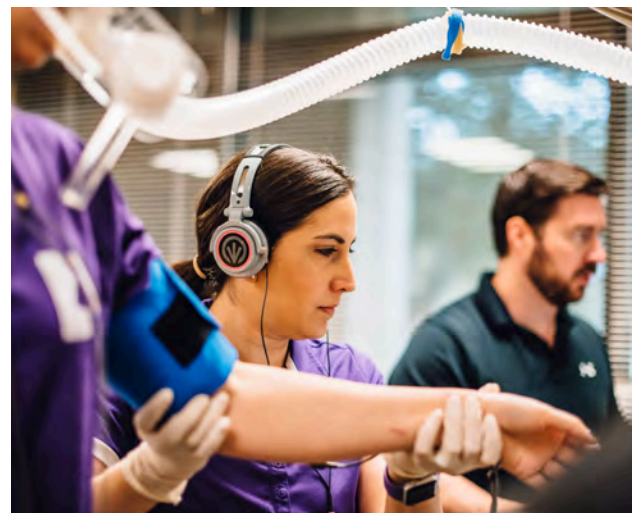

Job Responsibilities:

Research:

- Develop over time your own independent and externally funded (e.g., NIH R01 or similar) research program in endocrinology and metabolism.
- Publish your research in high impact journals.
- Actively collaborate with other PIs at Pennington Biomedical.
- Participate in other scholarly activities including grant reviews, participation in professional societies, and presentations at local, national, and international meetings.

Clinical Service:

- Provide coverage within the clinical research unit in support of active studies.
- Serve as a medical investigator on funded projects.
- Provide on-call duty for the unit in coordination with medical staff.
- May also include some service time in a Pennington Biomedical treatment clinic as needs are determined by the medical staff and the Executive Director.

FAST FACTS ABOUT PENNINGTON BIOMEDICAL

65,874 people have participated in a clinical trial screening visit

330 worldwide collaborators across 23 countries

4 faculty rank among the world's most cited researchers

Submit your CV and a letter of interest to:

Lisa Rajnath, Physician Recruiter

Lisa.Rajnath@prismahealth.org

Assistant Professor and Internal Medicine Clinic Director

Knoxville, TN, United States

Job Description

The University of Tennessee Health Science Center is seeking a full-time non-tenure track Assistant Professor and Internal Medicine Clinic Director. This position includes significant administrative, teaching, clinical, and research responsibilities within the ambulatory setting. The Internal Medicine Clinic Director provides leadership for clinic operations, ensures quality patient care, fosters resident education, and supports continuous process improvement.

Responsibilities

Administration:

- **Lead internal meetings with clinic staff, nursing staff, and faculty at regular intervals.**
- Chair the monthly Process and Improvement/Quality Committee and oversee PCMH-related requirements.
- Serve on external committees representing clinic interests, including EMR and UHN committees.
- Manage faculty and resident schedules, ensuring appropriate clinic coverage.
- Address daily operational issues including patient complaints, adverse events, workflow challenges, and policy/procedure development.
- Act as liaison between staff, residents, and faculty to support effective communication and operations.

Ambulatory Education and Research

- Provide bedside teaching, case discussions, and lead ambulatory morning report.
- Support ambulatory curriculum development and deliver didactic lectures, team-based learning, and clinical competency evaluations.
- Mentor residents in quality improvement and research projects.
- Conduct clinic orientation for residents and contribute to annual and monthly reviews.
- Participate in ongoing research initiatives and collaborate on new QI and clinical studies.

Ambulatory Patient Care

- Supervise residents' clinical care and maintain patient panels with a focus on quality outcomes.
- Ensure appropriate patient care standards, documentation, and coding compliance.
- Provide individualized feedback and coaching to residents.
- Collaborate with pharmacy teams to improve patient outcomes and complete faculty-level clinical requirements.
- Engage in direct patient care tasks, including communication with insurance providers when necessary.

Qualifications

EDUCATION: M.D. or D.O.

EXPERIENCE: Prior experience in academic medicine with demonstrated leadership in ambulatory clinical operations, quality improvement, and resident education is preferred.

LICENSES: Board Certification or board eligibility in Internal Medicine. Currently holds an unrestricted medical license in the State of Tennessee.

DEPARTMENTAL PREFERENCES:

- Strong administrative and organizational leadership skills.
- Experience with EMR optimization and clinical workflow design.
- Proven ability to mentor residents and lead educational activities.
- Commitment to high-quality patient care and process improvement.

THE UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER, COLLEGE OF MEDICINE - KNOXVILLE

The University of Tennessee College of Medicine – Knoxville (UTCOM-K) was initially established in 1956 as the UT Memorial Research Center and Hospital, which also provided the graduate medical and dental educational (GMDE) and research programs in Knoxville. The GMDE programs collectively became the UT Graduate School of Medicine with the formation of the University of Tennessee Medical Center (UTMC) in 1991, and more recently were renamed the UTKOM-K with the increased emphasis on undergraduate medical education in Knoxville as well as the statewide presence of UT Health Science Center.

The mission of the Knoxville Campus is to advance medical education required to train the next generation of physicians and dentists, deliver comprehensive and compassionate care with our hospital partner, the University of Tennessee Medical Center, and conduct innovative research that is meaningful for patients and their families. Our college provides training for third- and fourth-year Medical Students, second-year Physician Assistant Students, as well as Graduate Medical Education for 11 primary residency programs and 17 subspecialty fellowships. UTKOM-K consists of 548 faculty (258 paid), 245 residents and fellows and hosts an average of 40-50 medical students per month. UTKOMK also provides Continuing Medical Education services for faculty, residents and practicing physicians in our region, as well as Advanced Medical Simulation for students, residents, and faculty.

The College of Medicine-Knoxville, in partnership with the UTMC, sponsors extensive translational research in both clinical and laboratory settings. The faculty collaborates with various institutions both regionally and nationally including other UT Health Science Center campuses, UTK, Oak Ridge National Laboratory (ORNL), and other health science center institutions.

Geriatrician

Cambridge Health Alliance (CHA) is recruiting a Geriatrician to join our well-established Older Adults service line within the Department of Medicine. CHA is an award-winning health system based in Cambridge, Somerville, and Boston's metro-north communities, CHA provides innovative primary, specialty and emergency care to our diverse patient population through an established network of ambulatory clinics, an urgent care site and two full service hospitals.

Position Details:

- Full-time geriatrician opportunity. We would consider part-time candidates as well (0.5 FTE-1.0 FTE)
- Join a dedicated team providing high-quality care through our nursing home and house calls programs
- Our Older Adult Service Line is expanding, offering an exciting opportunity to join a growing team. This role provides the potential to work across a variety of clinical settings as the program continues to develop.
- Our division includes eight geriatric physicians and a team of skilled nurse practitioners. This position offers flexibility in scheduling and work hours, supporting an excellent work-life balance.
- You will use the EPIC electronic medical record (EMR) system.
- The position carries a Harvard Medical School (HMS) appointment of Instructor, Assistant or Associate Professor, commensurate HMS appointment criteria, candidate qualifications, and commitment to teaching responsibilities.
- Call schedule: 1:8, telephone-only; first call is covered by nurse practitioners.

Qualifications:

- BC/BE in Internal or Family medicine, as well as Geriatrics, successful completion of a geriatric medicine fellowship
- Qualified candidates will possess excellent clinical and communication skills and a demonstrated commitment to serving CHA's diverse and deserving patient population.
- Previous experience in an academic safety net system is a plus.

CHA offers a competitive compensation plan, including a guaranteed base salary plus production incentive. Our comprehensive benefits package includes health/dental/life/disability insurance, generous paid time off, CME time and dollars, and more. The full time guaranteed base salary range of \$240,000-\$252,000 is based on years of experience.

During the Internal Medicine Meeting 2026, contact Dr. Richard Pels, Chief of Medicine at (617) 694-6032.

After the meeting please visit www.CHAproviders.org to learn more and apply through our secure candidate portal. CVs may be sent directly to Mary Cummings, CHA Provider Recruiter, via email at ProviderRecruitment@challiance.org.

In keeping with federal, state and local laws, Cambridge Health Alliance (CHA) policy forbids employees and associates to discriminate against anyone based on race, religion, color, gender, age, marital status, national origin, sexual orientation, relationship identity or relationship structure, gender identity or expression, veteran status, disability or any other characteristic protected by law. We are committed to establishing and maintaining a workplace free of discrimination. We are fully committed to equal employment opportunity. We will not tolerate unlawful discrimination in the recruitment, hiring, termination, promotion, salary treatment or any other condition of employment or career development. Furthermore, we will not tolerate the use of discriminatory slurs, or other remarks, jokes or conduct that, in the judgment of CHA, encourage or permit an offensive or hostile work environment.

Internal Medicine Physician - Primary Care Cambridge Health Alliance

Cambridge Health Alliance, a Harvard Medical School teaching affiliate, is an award winning, academic public healthcare system receiving national recognition for innovation and community excellence. Our system includes three campuses as well as an established network of primary and specialty practices in Cambridge, Somerville and Boston's metro-north area. We proudly serve an ethnically and socio-economically diverse patient population within our communities.

CHA is currently expanding our primary care services and seeking **Internal Medicine Physicians** for our Cambridge area health centers:

- Academic appointment available at Harvard Medical School commensurate with medical school criteria
- Infrastructure includes fully integrated EMR (Epic) and clinical and administrative supports for primary care providers including onsite lab services, radiology, pharmacy, behavioral health, medical and surgical specialties, and more
- Physicians enjoy a collegial, vibrant and dynamic environment and great work/life balance
- Work where you live—the Cambridge area is a vibrant, active community of professionals and families with top rated schools, restaurants and shopping

CHA offers a comprehensive benefits package, including health and dental insurance, 403b retirement accounts with matching, generous Paid Time Off (PTO), and a CME allotment (both time and dollars). The full time guaranteed base salary range of \$240,000-\$260,000 is based on years of experience. Total compensation includes base salary plus production incentive.

Qualified candidates will be BC/BE, possess excellent clinical and communication skills. Demonstrating a commitment to and passion for providing high quality care for our multicultural, underserved patient population is essential. Experience at an academic safety net hospital system is a plus.

During the Internal Medicine Meeting 2026, contact Dr. Richard Pels, CHA Chief of Medicine at (617) 694-6032.

After the meeting please visit www.CHAproviders.org to learn more and apply through our secure candidate portal. CVs may be sent directly to ProviderRecruitment@challiance.org.

In keeping with federal, state and local laws, Cambridge Health Alliance (CHA) policy forbids employees and associates to discriminate against anyone based on race, religion, color, gender, age, marital status, national origin, sexual orientation, relationship identity or relationship structure, gender identity or expression, veteran status, disability or any other characteristic protected by law. ABOUT US

Duke Primary Care is a broad network of community-based clinics that offer family medicine, internal medicine, pediatric, and urgent care services. With 400+ providers in 50+ locations, Duke Primary Care is the largest primary care networks in the region.

Duke Primary Care clinics provide personalized care for adults and children, from sick visits to preventive care, health screenings, immunizations, and annual exams to chronic disease management. Select primary care clinics also provide behavioral health, diabetes education, pharmacy, and other population health services. Duke Primary Care clinics are accredited and designated a Primary Care Medical Home by The Joint Commission.

As part of a world-renowned health care system, Duke Health providers conduct innovative basic and clinical research, translate breakthrough discoveries to patient care, teach the next generation of health professions students, improve the health of populations, and advocate for policy and intervention-based solutions to complex global health challenges.

ABOUT OUR COMMUNITY

Anchored by the cities of Raleigh, Durham, and Chapel Hill, the Triangle consistently ranks high on "Best Places to Live" reports. The growing region features top universities and some of the state's best schools, plus beautiful parks, lively food and music scenes, and family friendly activities. With an affordable cost of living, cohesive communities, and proximity to mountains and beaches, the Triangle is a great place to call home.

INTERNATIONAL

INTERNAL MEDICINE PHYSICIAN IN NEWFOUNDLAND AND LABRADOR, CANADA

There's a place for you in **Newfoundland and Labrador, Canada.**

You'll often hear about two kinds of people living in Newfoundland and Labrador: those who grew up here and stayed and those who have moved here and never looked elsewhere. Our province is a special place and we welcome you to join us.

Signing bonus incentives up to \$275,000 and relocation assistance are available with a return-in-service!

EMPLOYER DETAILS

Newfoundland and Labrador Health Services (NLHS) is the provincial health authority in Newfoundland and Labrador, Canada. We are responsible for delivering quality health care to approximately 550,000 people throughout the province. Supported by over 23,000 employees and physicians, NLHS operates a broad network of hospitals, health centers, and community-based programs, working collaboratively to support the delivery of integrated health services across urban and rural communities.

WHY NEWFOUNDLAND AND LABRADOR?

Whether you picture yourself in a busy regional center or a close-knit rural community, you will find a lifestyle that is rich in natural beauty, strong community connections and opportunity. Here, you will find adventure around every corner, in safe, welcoming communities.

THE OPPORTUNITY

We are seeking **passionate General Internists** to join our **healthcare teams across Newfoundland and Labrador**. This is an opportunity to build a **deeply meaningful, diverse, and rewarding practice**. The following duties may be location dependent, including:

- Close collaboration with **multidisciplinary teams**
- Inpatient medical care with **daily ward rounds**, including **on-call coverage**
- **Outpatient clinics** (location specific)
- **Chronic disease management**
- Some areas may require participation in Clinical Teaching Units, Stress Testing, Echocardiograms and endoscopies
- Teaching opportunities exist for appointment with Memorial University Faculty of Medicine

You will collaborate with other physicians, nurses, and allied health professionals, with access to **regional support** and **telehealth services** that help you feel connected and supported in your practice.

QUALIFICATIONS

To be considered, you must:

- Hold a **Medical Degree (MD)**
- Certification by the Royal College Physicians and Surgeons of Canada or equivalent
- Be eligible for licensure with the **College of Physicians and Surgeons of Newfoundland and Labrador (CPSNL)**
- Satisfy credentialing requirements of **NL Health Services**, including a satisfactory criminal record check and vulnerable sector check
- Demonstrate a strong record of **professionalism, collaboration, and patient care**

Expedited licensure pathways are available for **American Board Certified** physicians who have completed their postgraduate training program in the **United States**.

Learn more: CPSNL.ca

COMPENSATION

- Fee for service or salaried
- Competitive salary based on years of experience
- On-call compensation is billable to provincial MCP
- 20 days annual leave, 9 stat holidays
- Sick, family, parental leave
- Group insurance benefits

Alongside our competitive salaries and great benefits, we offer **generous incentives, including up to \$275,000 plus relocation assistance**, to recognize your passion, dedication, and contributions to our province.
