Q: Does my booth need to have carpet/flooring?

A: Yes. Exhibitors are required to have carpet/flooring in their booth space. The official General Service Contractor (Decorator) will, at the exhibitor’s expense, install carpet in any booth in which carpet/flooring installation has not begun by 4:00 p.m. on Wednesday, April 18.

Q: Are tables, chairs, or furnishings provided in the booth?

A: No. They can be provided by the exhibitor or ordered through Freeman Exposition Services. More details are available in the Exhibitor Service Manual. ACP does provide 8’ high back drapes and 3’ high side drapes for all linear booths.

NEW: Exhibitors must furnish to ACP a certificate of liability insurance. Exhibitors will not be permitted to set up their booth without a certificate of insurance on file. Refer to page 16 for more information.
